2023 State JAG Career Development Conference

The first place finishers from January's Regional Career Development Conference went to Indianapolis to compete against the winners of the other 11 Regional Conferences. Region 7 was well represented and earned two individual First Place finishes and one group First Place award.

- Cloverdale - 1st Place - Social Media
- Cloverdale - 1st Place - Carson Hall - Financial Literacy
- Cloverdale - 3rd Place - Based Learning
- Sullivan - 1st Place - Writing Skills
- Northview - Honorable Mention - Outstanding Senior

Nathaniel Reedy | Northview High School, Senior

"JAG has really helped me figure out who I can be and who I want to be, but more so, who I will be. I think it's really helped me be myself and what I want to do."

Nevaeh Gordon | Sullivan High School, Junior

"I found in JAG that there are so many different career pathways out there after high school, and while getting a college degree isn't necessary for me to get a job, there is a broader scale of opportunities out there for me if I have a college education. For others entering the workforce after high school is right for them and through JAG we learn how to be prepared for the workforce with a stellar resume, cover letter, interviewing skills, and an excellent work ethic."

Parke County REMC

Parke County REMC hosted the Parke Heritage JAG students. The students learned about electric vehicles and employment opportunities with REMC.

Indiana National Guard

Sergeant Bryar Nevins of the Indiana National Guard visited Riverton Parke to discuss opportunities with the Guard. Sgt Nevins also provided samples of MREs (Meals Ready to Eat) with the class and held a cracker eating contest to see if anyone could eat the packaged crackers in 2 minutes without taking a drink.

Carson Hall

Carson Hall was named Class of 2023 Valedictorian for Cloverdale High School.

Comp TIA Certifications

Cloverdale seniors Alex Baker and Glenn Thompson earned their CompTIA A+ Certification. The certificate conveys foundational IT skills across a variety of devices and operating systems.

JAG Cords

The graduating seniors at Cloverdale received their official JAG Cords to display during graduation.

Vincennes University

Shaun Brames of Vincennes University spoke with Riverton Parke and Parke Heritage JAG students about attending VU. Of course, Shaun also included a fun activity. Later, the students took an onsite tour of Vincennes University.
