

# Igniting Conversations

**Launch Terre Haute : June 17, 2015 5 p.m.**

*Do you have an idea but don't know where to start?*

*Do you have an existing business and want to know*

*what resources are available to you?*

*Do you offer services to entrepreneurs?*

**Then you're invited to the conversation!**

**Register Now**

As part of Entrepreneurship Week, on June 17th, Launch Terre Haute and the West Central Indiana Small Business Development Center will host young entrepreneurs for an "Igniting Conversations" event. Young entrepreneurs (loosely defined as someone under 30 with a business or even just an idea) will be encouraged to check out Terre Haute's innovative co-work site, meet some of the regulars, learn from guest speakers, and start getting connected to the wider entrepreneurship ecosystem. Locations around the state will be live streaming, allowing entrepreneurs to go on virtual tours of co-work locations and make connections across the state. Local economic development leaders are encouraged to attend and share ways they can help these young entrepreneurs launch and grow.

## Schedule

4:30 p.m. Doors Open: open networking

5:15 p.m. Featured Entrepreneur

5:40 p.m. Open Reception: time to meet with fellow entrepreneurs and community leaders. Live streaming will be taking place showcasing co-working spaces and featured entrepreneurs from across the state.
